ANTITRUST LAWS

The Agreement of Sale may be transmitted to the Attorney General of the United States for advice as to whether the sale would tend to create or maintain a situation inconsistent with anti-trust laws. GSA has no information on the availability of private financing or on the suitability of the Property for financing.

STARTING BID

1. Complete Online Registration: Bidders must register online at the Website. Once on the Website, click on “Register”, establish a username and password and provide the requested account information. A username and password are used to register online and to place Bids. The password must be between eight and fifteen characters. It is the Bidder's responsibility to establish its username and password on the Website. In the event a Bidder forgets its username or password, or both, or is locked out from the Website, GSA staff cannot assist in retrieving a lost or forgotten username and/or password.

A Bidder may register on the Website as either an individual or as an entity provided, however, that the Bidder information submitted as a part of the registration on the Website must be the same information provided on the Bidder Registration Form. Any request to change the name of the Purchaser after acceptance of any Bid may be withheld or granted by the Government in its sole and absolute discretion. If an individual wishes to Bid on the Property as both an individual and as the authorized representative of an entity, such Bidder must ensure that the individual and the entity are separately registered and, thereafter, place Bids accordingly.

In accordance with Public Law No. 104-134, Section 31001, the Debt Collection Improvement Act of 1996, the Tax Identification Number (TIN) must be provided by anyone conducting business with the Federal Government, from which a debt to the Government may arise. Individuals cannot successfully register to Bid on items without providing a TIN. A TIN is defined as an individual's Social Security Number (SSN) or business entity's Employer Identification Number (EIN). If you registered as an Individual, your SSN will be validated with your name and address. If you registered as a Company, your business identity's EIN will be validated with your company name and address. The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected to verify the data submitted by the user..

A credit card validation process will be conducted to prevent potential fraudulent bidding activity and to ensure that bidders are prepared to accept responsibility for their bidding activity and all submitted bids are valid. **The credit card information you provide at registration is used strictly for validation purposes. GSA Auctions® does not automatically charge credit cards on file. You may use a different credit card to provide the required Registration Deposit. Credit card registration deposits for real property sales cannot be made via GSA Auctions®.**

- c. It is the responsibility of the bidder to ensure that adequate time is available to complete the registration process as described above. No bidder will be allowed to participate in the sale until the entire registration process is complete.
- d. Registration may occur any time prior to the conclusion of the auction. The Government, however, makes no representation or guarantee that your registration will be completed prior to the announced date and time for the receipt of final bids. Therefore, bidders are encouraged to register before the auction opens.

BIDDING IN GENERAL

- a) After successful completion of the registration process described above, Bidders are permitted to participate in the Auction. Registered Bidders may place Bids by following the instructions on the Website. By submitting a Bid through the Website, each Bidder agrees that its Bid is a binding offer to purchase the

Property. This means that Bidders are legally bound by any and all Bids submitted using such Bidder's username and password.

The Website provides up-to-date information on a Bidder's bidding status. A Bidder can check its bidding status by clicking on the "Bid History" section of the Website.

- b) Bids received through the Website are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and any other time indicated, displayed, or otherwise stated or represented by a Bidder.
- c) Bids must be submitted without contingencies.
- d) The Website does not permit any party that is currently in default for non-payment or non-removal of items under any GSA auction to place a Bid. Once such party cures its default (and has registered to become a Bidder in accordance with the terms of this IFB), the Bidder will be permitted to place a Bid on the Website.

CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. Bidders may also review Bid activity by clicking on the "My Messages" tab once logged in. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high Bid and the sale has not closed, you can go back to the item and place another Bid. Bids cannot be lowered or canceled.

If your Bid is not accurately shown on RealEstateSales.gov, then you should call GSA at (617) 565-5700. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high Bid, modification to Bid increment and the closing date of the auction.

ONLINE BIDDING

RealEstateSales.gov allows you to place a either a flat or automatic ("proxy") Bid. A flat Bid is for an amount at least the current Bid plus the posted minimum Bid Increment. If the Bid is greater than another bidder's automatic Bid, the system will consider this flat Bid as the current (winning) Bid. If the Bid is less than or equal to another bidder's automatic Bid, the system will record the Bid but it will not be considered the current (winning) Bid. The required minimum Bid will be specified on the Bid screen and once entered it will be displayed as the winning Bid unless an automatic Bid that is greater than this amount has been placed.

An automatic Bid is an amount that you set above the posted minimum Bid. Realestatesales.gov will use as much of your Bid as needed to make you the current winner of the auction or to meet the auction's reserve price. The system will automatically apply the minimum Bid Increment up to the total amount Bid to make you the current winner of the auction or to meet the auction's reserve price. Your automatic Bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your Bid amount but not less than the next Bid increment amount. If the system reaches your automatic Bid limit, it stops bidding for you. Submit another Bid if you want to continue bidding. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning Bid. You can submit another flat Bid or reset your automatic Bid amount if you want to continue bidding. Your automatic Bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your Bid as needed to meet the reserve price.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit Bid is placed. You may increase or decrease your automatic Bid limit at any time. You cannot decrease your automatic Bid below the current Bid. If you are currently the winner in an auction, increasing your automatic Bid will not increase your current Bid until challenged by another Bid. Changing your automatic Bid may affect the indicated time remaining.

If you learn from RealEstateSales.gov that your Bid was not the high Bid, or if another bidder exceeds your previous high Bid, you may increase your Bid at RealEstateSales.gov until such time as bidding is closed.

Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. **The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.**

TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, Bid forms or a Bid by any method. Failure to receive registration information, Bid forms or a Bid may include, but is not limited to the following:

- a. Receipt of a garbled or incomplete Bid.
- b. Availability or condition of the sending or receiving electronic equipment.
- c. Incompatibility between the sending and receiving equipment and software.
- d. Malfunctioning of any network, computer hardware or software.
- e. Delay in transmission or receipt of a Bid.
- f. Failure of bidder to properly identify the Bid.
- g. Security of Bid data.
- h. Inability of bidder to enter Bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- i. Unavailability of GSA personnel.

If your Bid is not accurately shown or you cannot enter a Bid at RealEstateSales.gov then you should call GSA at 617-565-5700 for assistance.

The Website will NOT be available during the following system maintenance windows:

- Saturday: 5:00 a.m. to 8:00 a.m. CT
- Sunday: 6:00 a.m. to 10:00 a.m. CT

The Website may NOT be available during the following system maintenance window:

- Wednesday: 5:00 a.m. to 6:30 a.m. CT

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA AuctionsSM to extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to insure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.

AUCTION CLOSE

The Government will announce a date and time for the Close Time on RealEstateSales.gov. The Government will also set a Bid Interval or "challenge" period for bids. The Time Remaining countdown clock announces the time left to Bid. The High Bid must survive the Bid Interval without challenge, usually within 24 hours of the auction close time, to win. If the High Bid on the announced date and time survives the full Bid Interval period without challenge, then bidding will close at the stated time and consideration for Bid acceptance will be given to the High Bidder.

If an increased Bid is received within the Time Remaining and the Bid Interval is 24 hours, then bidding will be held over for an additional Bid Interval (including weekends and Federal holidays) beginning at the time the increased Bid is placed. This process will continue until the high Bid survives the full Bid Interval period unchallenged. Bid Intervals may be changed from 24 hours (reduced or increased) as determined by the

Government. For Bid Intervals of less than 24 hours, the auction will not close during non-business hours, weekends or Federal holidays and the bidding will continue to the next business day. **The Government reserves the right to increase or decrease the Bid Interval at any time prior to the close of the auction.** Bidder agrees that notices of changes to the sale are satisfactory when made available on the Website at RealEstateSales.gov.

ACCEPTABLE BID

An acceptable Bid is one received from a responsible bidder, whose Bid, conforming to this IFB, will be most advantageous to the Government.

BID EXECUTED ON BEHALF OF BIDDER

A Bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the Bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the Bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

If the bidder is a partnership, and all partners sign the Bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the Bid, then the names of all those except limited partners must be furnished on the Bid and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the Bid on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the Bid shall be deemed to have been sufficiently given when faxed or mailed to the bidder or their duly authorized representative at the fax/phone number or address indicated in the Bid. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a Bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high Bid amount, re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

Within ten (10) business days of acceptance of a Bid by the Government, the Purchaser agrees to deposit Earnest Money in the form of a bank certified or cashier's check or wired funds transfer, equal to at least ten

percent (10%) of the total Bid in addition to any prior credit card deposits. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit. Upon receipt of the Earnest Money deposit, applicable credit card registration deposits may be refunded.

Upon acceptance of a Bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within thirty (60) calendar days after acceptance of Bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

REFUND OF REGISTRATION DEPOSITS

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check may elect to receive the refund by U.S. Treasury check or by an electronic funds transfer (EFT). Bidders will be required to provide GSA with a Taxpayer Identification Number (TIN) to ensure the proper refund of the Registration Deposit by the U.S. Treasury. The TIN may be either a Social Security Number (SSN) or an Employer Identification Number (EIN). The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected only for the proper refund of the Registration Deposit. Refunds will only be processed to the same individual or entity identified by the TIN. Bidders requesting to receive a refund by EFT will be required to provide additional information to GSA including bank account information to process the refund. Registration Deposits provided by credit card will be credited to the same account number provided.

Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 9, Back-up Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Refunds by U.S. Treasury check or by EFT will be processed in a timely manner but may require several weeks to complete. Refunds to a credit card will usually be processed within three business days.

BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. The Bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in the General Terms of Sale, paragraph titled, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

The Registration Deposit of the Backup Bidder will be returned as described above in the paragraph titled, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining Bid(s) and accept a Bid that is in the best interest of the Government.
